

Monitor Arm

Elivi Double Monitor Arm with Gas Lift
White, 17-32", 2-9 Kg

Product number: ELV-MADG-W

Product Description

Get the most out of your work area with this space-saving monitor arm from Elivi. This double monitor arm is specially designed to be able to stand right next to a partition or wall and gives the user the opportunity to get a better distance to the screen, which is more comfortable for the eyes through a long working day. You can rotate, tilt or swing your monitors to find the perfect position for you.
